

# INDUSTRIAL SUPPLIERS & SOLUTIONS PROVIDERS

Value Customer | Innovation | Quality

# About Us.

Since its inception in 2010, Shri Krishna Commercial (SKC) has been synonymous with reliability, innovation, and growth. Over the years, SKC has evolved into a trusted name across India's industrial landscape – delivering high-quality solutions in Instrumentation, Electrical, Electronics, Mechanical, Automation, Safety, and Process Consumables.

Driven by a vision to be a One-Stop Industrial Solution Provider, SKC has built strong alliances with 50+ globally renowned OEMs and proudly serves 500+ customers across 15+ states in India, as well as growing international operations in Nepal and Sri Lanka.

What truly sets SKC apart is its people-first philosophy – a dynamic team of skilled professionals, guided by integrity, innovation, and commitment to excellence. Together, they continue to deliver sustainable, reliable, and competitive solutions that empower industries and build lasting partnerships.

With every milestone, SKC moves closer to its vision of shaping a smarter and more sustainable industrial future. Guided by innovation and strengthened by trust, we continue to evolve, expand, and empower industries worldwide.

# The Organization.

**VIKASH KEDIA**

**CEO & FOUNDER**

SKC was built on a simple belief – that consistency, integrity, and commitment can create something extraordinary. Our journey is defined by resilience and teamwork, and as we move forward, we remain dedicated to delivering value and shaping a sustainable industrial future.

**ROBIN KEDIA**

**CO - FOUNDER**

Innovation and relationships are the cornerstones of SKC's growth. We take pride in our people, our partnerships, and our purpose – to empower industries with reliable solutions and a vision that extends beyond boundaries.

# LIFE AT SKC!

At SKC, every milestone is worth celebrating. From corporate events and industry exhibitions to festive celebrations and team gatherings, each moment reflects the spirit of unity, joy, and togetherness that defines who we are. These glimpses capture not just our achievements, but the vibrant culture and passionate people who make SKC truly exceptional.

# ONE-STOP FOR INDUSTRIAL SOLUTION

Business Associate & Aggregator for Industrial products-  
Instrumentation, Electrical, Mechanical, Automation,  
Bulking Material Handling, Safety & Sensors...

and many more....

# OUR CUSTOMERS

We are proud to have partnered with a diverse range of esteemed clients, from innovative startups to industry leaders.

and many more....

# PRODUCTS FOR EVERY INDUSTRY

Discover a wide range of high-quality pumps and equipment designed to optimize performance, enhance efficiency, and meet your toughest challenges.

The logo for GSR, consisting of the letters 'G', 'S', and 'R' in white on a red background, each letter inside its own square.

- High Pressure Valves Upto 1200 bar
- Low Pressure Valves Upto 0,9 bar
- High Temperature Valves Upto +400°C
- Cryogenic Valves Down Upto -196°C

The logo for YOKOGAWA, featuring the word 'YOKOGAWA' in black and a yellow diamond shape to the right.

- Multifunction Calibrator CA71 (Portable)
- Power Quality Analyzer
- Digital Storage Oscilloscope
- Pressure Calibrator CA700
- HART Calibrator

The logo for MoistTech Corp., featuring a blue water drop icon and the text 'MoistTech Corp.' in blue.

- Online Moisture Sensor
- Explosion Proof Sensor

The logo for RElectronic, featuring a stylized 'R' with a gear-like border and the word 'electronic' in black.

- Absolute Rotary Encoders
- Incremental Rotary Encoders
- Wire Draw Encoders
- Linear Encoders
- Positioning Drives
- Housing & Heavy Duty Encoder

The logo for VORTEC, featuring the word 'VORTEC' in blue and a stylized red and black 'V' shape.

- Hot/Cold Air Guns
- Enclosure Coolers
- Spray Nozzles
- Vortec Cooling Vest
- Vortex Tubes

The logo for CESYCO, featuring a cartoon character holding a torch and the word 'CESYCO' in black.
